

OTLEY KARATE CENTRE

Safeguarding Children Policy Statement

Otley Karate Centre acknowledges the duty of care to safeguard and promote the welfare of children and we are committed to ensuring safeguarding practice reflects statutory responsibilities, government guidance and complies with best practice and Shukokai - Shitoryu Karate Alliance requirements.

The policy recognises that the welfare and interests of children are paramount in all circumstances. It aims to ensure that regardless of age, ability or disability, gender reassignment, race, religion or belief, sex or sexual orientation, socio-economic background, all children

- have a positive and enjoyable experience of sport at Otley Karate Centre in a safe and child centred environment, and;
- are protected from abuse whilst participating in karate or outside of the activity.

Otley Karate Centre acknowledges that some children, including disabled children and young people or those from ethnic minority communities, can be particularly vulnerable to abuse and we accept the responsibility to take reasonable and appropriate steps to ensure their welfare.

As part of our safeguarding policy we will:

- promote and prioritise the safety and wellbeing of children and young people
- ensure Instructors understand their roles and responsibilities in respect of safeguarding and are provided with appropriate learning opportunities to recognise, identify and respond to signs of abuse, neglect and other safeguarding concerns relating to children and young people.
- ensure appropriate action is taken in the event of incidents/concerns of abuse and support provided to the individual/s who raise or disclose the concern
- ensure that confidential, detailed and accurate records of all safeguarding concerns are maintained and securely stored
- take all reasonable steps to ensure unsuitable people are prevented from working with children
- ensure robust safeguarding arrangements and procedures are in operation.

The policy and procedures will be promoted and are mandatory for Instructors involved with Otley Karate Centre. Failure to comply with the policy and procedures will be addressed without delay and may ultimately result in dismissal/exclusion from the club.

Monitoring

The policy will be reviewed a year after development and then every three years, or in the following circumstances:
